KEYSTONE

THE GSW GOLDSMITHWORKS APPRAISAL IS ONE OF THE MOST IMPORTANT DOCUMENTS YOU CAN POSSESS AS TO YOUR VINTAGE WATCH. NOT ONLY IS THE WATCH DETAILED AS WELL AS OUR OFFERS, IT IS GOOD ENOUGH TO UTILIZE IN INSURING YOUR VINTAGE WATCH AND FOR INSURING THAT YOU RECEIVE THE VALUE IF YOU CHOOSE TO SELL OR LEAVE IT TO SOME ONE. IF YOUR TIME PIECE

HAS A DETAILED, DOCUMENTED RESTORATION, AND NOT A SIMPLE **"IT WAS RECENTLY SERVICED"**, **PLUS INFORMATION AND HISTORY**, IT IS WORTH BOTH THE TIME IT TOOK TO RESTORE AND WHAT WENT INTO THE RESTORATION..OST JEWELRY IS APPRAISED AT DOUBLE AND TRIPLE "KEYSTONE"., THAT IS DOUBLE TO TRIPLE COSTS. WHAT IS KEYSTONE?? "KEYSTONE is the act of taking the cost of an item being purchased from a vendor, or made in a shop or factory, and doubling, tripling, etc. to achieve an actual or suggested price for resale.

"Keystone" Jewelry/Watch Business: the weight and type of materials + the type and weight of gemstones/diamonds + the time in hours at jewelers rates it took to design fabricate and finish + supplies – over head. Then they take that price and triple key. that is times 3 =.Then the wholesale at keystone.

Today discounting is the most popular for non-jewelry products. Items for resale are purchased from a vendor at a negotiated price, It is "Keystoned" as much as 500% to achieve a list price or: MSRP, the actual retail price is then set at a "discount" that better generates consumer interest (50-75% off list price)

.AS YOU CAN SEE. IF YOU INVEST IN A 1956 LONGINES. THEN SPEND, HONESTLY, 26 HOURS IN RESTORATION PLUS PARTS ET AL , THE ACTUAL INSURANCE APPRAISAL MUST TAKE ALL OF THIS INTO ACCOUNT. AND THE PERSON WITH THE SAME WATCH UN-RESTORED? WELL, 50 TO 125 WOULD BE THE APPRAISAL.WE ALSO LOOK AT RARITY OF TIME PIECE. HOW WELL THE RESTORATION WAS PERFORMED. WHAT WAS ACCOMPLISHED. AND ANY AND ALL HISTORY THAT CAN BE ATTAINED. THUS, THAT IS HOW GOLDSMITHWORKS CAN APPRAISE PROPERLY, ETHICALLY AND INSURE THAT A TIME PIECE RECEIVES ITS FAIR MARKET PRICE. NOW, IF A PIECE IS APPRAISED AT 600.00. THE RESALE PRICE, LIKE ALL PRODUCTS, DEPENDS ON THE MARKET AT THAT TIME. YET, LIKE MOST PRODUCTS, ITS INSURED VALUE DOES NOT CHANGE.

JEWELERS MUTUAL ONLINE

<http://www.jewelersmutual.com/PersonalJewelry.aspx?gclid=CPn30ZTSi54CFU0i2godbyqNnw>

Coverage for unscheduled jewelry. Do you have a lower valued item you'd like to insure? Add it to your policy under our "unscheduled jewelry" option. This option provides limited coverage for jewelry valued at \$1,000 or less. Some important notes about unscheduled jewelry coverage. The premium rate for insuring unscheduled jewelry is \$15 per \$1,000 of value, up to a \$5,000 total limit. You can add this option to your policy in \$1,000 increments without an insurance evaluation/appraisal. This coverage has a \$100 deductible. To qualify for this coverage, you must have at least one item of jewelry scheduled on your policy with an insurance evaluation/appraisal **Have your jeweler provide an insurance evaluation/appraisal with a detailed description of each item. toll free, at 888-884-2424. Apply online right now or download a printable PDF version.**
