WATCH HANDS

On this page are illustrated the standard hands available for Hamilton watches from 18 size to 21/0 size. Illustrations show exact size of the hands. Please order by catalog number to receive prompt and accurate service.

If you desire to duplicate hands not shown in this catalog, please submit samples and they will be matched as nearly as possible from stocks on hand.

It is always advisable when one hand is damaged and needs replacing, to order a complete new set of hands so they will fit properly and be uniform in both style and color.
